

*Built in Wireless Receiver inside iSecure Go-Anywhere Hub, supporting up to 80 wireless intrusion or fire devices. [Also, built-in siren, "spoken" voice prompts & integrated cell/IP communicator.]*

An iSecure® Complete Cellular Alarm System is smarter, more family-friendly and more affordable. Easily customize a system with wireless options to fit every customer need and budget. Choose from smoke-, CO- or glassbreak-detectors. There's also an extra wireless siren, keyfob and panic buttons.

**iSecure Takeover Module - Ideal for Retrofits or System Takeovers** - Save Time & Equipment with option to convert up to 32 existing wired zones into wireless iSecure System Zones. Saves rewiring or replacement of existing system sensors.

## iSecure Series Systems Wireless Transmitters and Accessories:

- **All-Inclusive Cellular Alarm Systems with Professional Panel Smart Hub, App, Connected Home, Choice of Wireless Devices, Video Cameras & Doorbell**
- **Up to 80 zones, intrusion & fire in one or two areas**, using full line of iSecure Wireless Transmitters
- **Choice of** either wireless LCD keypad, 4" security touchscreen or 7" Multifunction Security/Video/Connected Home touchscreen
- **App for security, connected home & SMS text/video notifications alerts/reminders, Powered by iBridge** (iBridge App)
- **StarLink Inside – Built-in dual path LTE cellular/IP reporting**
- **Connected Home Services from Z-Wave control built-in in both Touchscreen Kits**, for up to 232 connected devices
- **2 Economical unlimited cellular signal/notification plans**, simply choose with & w/o automations
- **Full Line of Pro Accessories, WiFi Video Cameras, Doorbell, AC Plug-in Siren w/Strobe, Wireless Window/Door, Motion, Glass break, Keyfob, Panic Button and Wireless Carbon Monoxide & Smoke Detectors**

# Wireless Transmitters & Accessories

## iSecure Wireless Accessories:

### ISEC-DW-XMITTER Wireless Window/Door Transmitter

Wireless low-profile iSecure window/door Sensors, compact, tamper-supervised

**Dimensions:** 2.5H x 1W x 0.4D"

**Power:** Long-life 3-volt lithium coin-cell battery **Nominal Battery Life:** 5 years **Supervised:** Reports low-battery voltage to receiver

### ISEC-MOTION Wireless PIR

Wireless Motion Detector, 50 x 50' broad coverage, fully-shielded PIR circuitry, battery-saver feature and long-life lithium-battery powered (supplied)

**Dimensions:** 4.5" x 2.5" x 1.7" (HxWxD) **PIR Coverage (L x W):** 50' x 50' (68°F), typ. **Operating Temperature:** 0° to +50°C (32° to 122°F)

**Mounting:** Wall or corner, 10' (3m) max.

### ISEC-KEYFOB 4-Button Keyfob

• 4-Button operation: Arm; Disarm security system and 2 programmable for auxiliary functions, e.g. panic, medical, relays or relay groups, instant

- Visual indicator for transmission or low battery
- Includes keyring, chain, replaceable battery

**Input Power:** 3-Volt lithium coin cell battery, replaceable **Low Battery:** LED indicator lights and pulses 30 secs; also sent to receiver **Dimensions:** 3.0 x 1.25

### ISEC-PANIC Panic Button

Waterproof 1-Button Panic Button with optional pendant chain

- Waterproof personal panic button
- Worry-free peace of mind
- 1-button operation with tactile feedback click
- Extra-large, soft touch button for trouble-free use even by dexterity-impaired or arthritic hand

**Dimensions:** 1.75W x 2.57H"

**Power:** Two replaceable Energizer 386 1.5V, Silver Oxide Cells power

**Low Battery Indication:** Flashing LED indication

### ISEC-GLASSBREAK Glassbreak Detector

Omnidirectional Acoustic Glassbreak

**Dimensions:** 3.13 x 4.24 x 1.7" (H x W x D) **Temperature Range:** 32°F to 120°F

**Range of Coverage (radius distance from sensor):** Plate Glass, 25' Tempered, Wired, or Laminated Glass, 20', typ.

### ISEC-SMOKE Wireless Smoke Detector

Powered by a 3-volt lithium battery supplied; Sensor powered by 9V Alkaline Battery

- Designer styling and longer battery life
- Long 5-year battery life, typ. (batteries included)
- Compact 5.2" diameter; attractive decorator white
- Built-in silence feature and test button
- Visual LED indicates alarm & standby
- Audible/visual indicator for low-battery & need for detector cleaning use even by dexterity-impaired or arthritic hand

**Dimensions:** 5.2" Diameter

**Low Battery Indicator:** Local and sent to receiver

### ISEC-CARBON MON Wireless Carbon Monoxide Detector

Powered by a 3-volt lithium battery, CR/DL123A battery,

**Dimensions (WxLxD):** 5.38 x 5.38 x 2.13"

### ISEC-HEAT Wireless Heat Detector

Wireless 135° Rate of Rise Heat Detector

**Dimensions:** 4.57" Diameter

**Fixed temperature detector with Rate of Rise:** 135°F

**Input Power:** 3V lithium battery

### ISEC-WL-SIREN Additional Wireless Plug-in Siren w/ Strobe

AC Plug-in, Battery Backup, Strobe on activation, Green LED power indicator

- Up to 4 optional wireless sirens can be used in addition to the one built-into the Go-Anywhere Hub
- Plug into AC or optional battery operation (wall-mount)
- 85dB at 10'
- Supports Siren, Temporal Fire and CO alarm audible cadences
- Integral bright LED strobe w/ different pattern for burg or fire
- Operable from 110VAC with battery-backup or Batteries-only
- Battery-only operation with 4 standard Alkaline C cell batteries up to 3 years typ.
- Supervises battery, and detects and notifies low battery condition
- Indoor or outdoor operation

**Supported:** 4 per system

**Dimensions (WxHxD):** 3.5 x 6.75 x 2.38 inches when flush against wall; 3 inches

**Batteries:** 4 C-Size with low-battery supervision and audible low-battery warning

**Nominal Battery Life:** 1 year standby typical; 200 alarm sequences typical; constant alarm 7 hours typical

**Sound Pressure:** 85db Dual Piezo Horn (measured at 10')

## Ordering Information:

**ISEC-DW-XMITTER** Low Profile Wireless Window Door Transmitter

**ISECMOTION** Wireless Motion Detector, 50' Range, Battery-Saver Circuit

**ISEC-KEYFOB** 4-Button Keyfob, replaceable battery

**ISEC-PANIC** Waterproof 1-Button Panic Button with optional pendant chain

**ISEC-GLASSBREAK** Wireless Acoustic Glassbreak Detector

**ISEC-SMOKE** Wireless Smoke Detector

**ISEC-CARBON MON** Wireless Carbon Monoxide Detector

**ISEC-HEAT** Wireless 135° Rate of Rise Heat Detector

**ISEC-WL-SIREN** Wireless Extra Siren, AC Plug-in, Battery Backup

**ISEC-WL-MODULE** Takeover Module

# Video Doorbell, Cameras & Video Alert Messages

An iSecure® Complete Cellular Alarm System is smarter, more family-friendly and more affordable. Easily customizable, it offers today's top technologies, like high-quality video & video doorbell so customers know and see all. iBridge Video Doorbell™ lets them know who's at the door, and speak to them, even when they are nowhere near home. Anytime the PIR sensor detects movement in the door area, or, if the doorbell button is pressed, iBridge Video Doorbell's camera automatically captures and sends out live video to their smartphone as a text message via SMS/MMS. iBridge Video™ professional, encrypted WiFi indoor/outdoor cameras make sure they don't miss a thing. Customers can look in on the nanny or the kids returning home from school, watch for deliveries, get notified when dad takes his pills, or doesn't, or if the pool gate is unexpectedly opened. Subscribers stay in touch and in control from anywhere, right from the palm of their hands.

- **Affordable remote video and smartphone video notifications**
- **Choice of Pro Grade video cameras, including video doorbell**

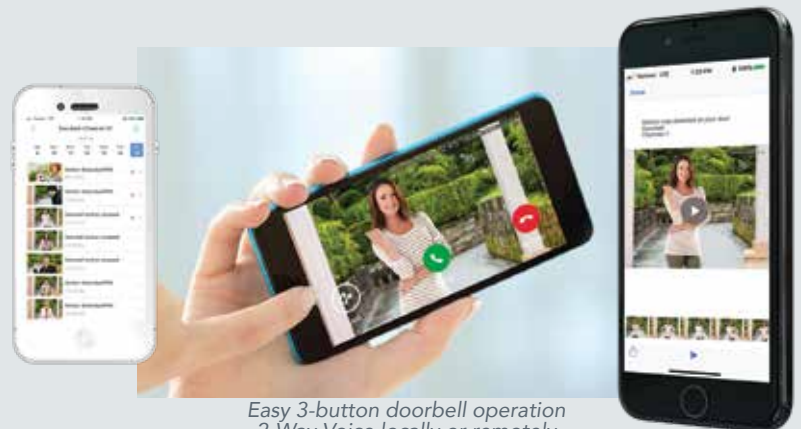

- **Free App as part of iBridge Connected Home** on Apple App Store® and Google Play®
- **2-Way Talk/Audio thru App - Cameras support full duplex, 2-way audio** - Talk to premises live (excludes outdoor dome camera model).
- **Doorbell, fixed camera, pan and tilt camera and outdoor dome camera** with choice of WiFi or POE connectivity and mounting options for wall, ceiling or eave. Ingress protection & vandal resistance
- **32GB Video Storage view from App or Online** - Built in Onboard HD video storage, 32GB, for up to 7 days, typically on cameras. (Doorbell has provision for up to 64GB, not included.)
- **High HD resolution, remote video** up to 20 frames per second at HD res (1280 x 960)

MMS notifications/alerts sent with video for opens, events or alarms

Multifunction Security & Live View Video on the optional Touchscreen (IBR-TOUCH)

Easy 3-button doorbell operation  
2-Way Voice, locally or remotely

# Video Doorbell, Cameras & Video Alert Messages

## iBridge Video Cameras Features:

**Fixed Camera (ISV2CAM)** 2.4GHz WiFi, 2-Way Audio, 1.3MP, 20/30fps, 32GB onboard storage, Multimedia/video clip (MMS) Notifications, plus 12-mos. cloud storage

- 1.3MP Hi Definition (1280x960)
- PIR with 6 meter range (19.7')
- ICR Night Vision with 10 meter range
- WiFi (IEEE 802.11 g/n)
- 32GB onboard video storage, included for 7-Day typically (5 Day onboard storage at High Def.)
- H.264 compression
- Built-in speaker and mic, offering true 2-way voice capability through mobile app
- Motion Triggered video events stored in cloud
- Includes plug-in power adapter

**Pan/Tilt Camera (ISV2PT)** 2.4GHz WiFi, 2-Way Audio, 1.3MP, up to 30fps, 32GB onboard storage, MMS Notifications, plus 12-mos. cloud storage

- 1.3MP Hi Definition (1280x960)
- ICR Night Vision with 10 meter range
- WiFi (IEEE 802.11 g/n)
- H.264 compression
- Built-in Speaker and mic, offering true 2-way voice capability through mobile app
- 32GB onboard video storage, included for 7-Day typically (5 Day onboard storage at High Def.)
- Motion Triggered video events stored in cloud
- Includes plug-in power adapter

**Dome Camera (ISV2DOME)** 2.4GHz WiFi, Outdoor-rated IP67, IK10 for wall, ceiling, eave mount, POE Ready option, 1.3MP, up to 30fps, 32GB onboard storage, MMS Notifications, plus 12-mos. cloud storage

- 1.3MP Hi Definition (1280x960)
- H.264 compression
- ICR Night Vision with 30 meter range
- WiFi (IEEE 802.11 g/n)
- POE capable
- 32GB onboard video storage, included for 7-Day typically (5 Day onboard storage at High Def.)
- Motion Triggered video events stored in cloud
- Ingress Protection: IP67
- Vandal Resistance: IK10
- Includes plug-in power adapter
- Options for junction box mount, wall mount or POE Switch

## iBridge Video Pro Doorbell Features (IBV-DBELL):

- Professional grade 1080HD video, 2-way audio w/ noise cancellation, infrared night vision, custom PIR zones & top IP65 ingress rating
- Subscribers enjoy live 2MP Hi Definition (1920 x 1080) video and easy 3-button operation on their smartphones push notifications & archived video
- Sends instant alerts to accounts when visitors press the doorbell or trigger the built-in motion sensors, so they can hear and speak to anyone at the door from any smartphone, tablet or PC
- Fully-integrated video within the iBridge Connected Home ecosystem, works with all other iBridge Video Cameras - Free App in Apple App Store® or Google Play®
- Broad 140° field-of-view, and ability to filter out unwarranted activations and alerts with Smart PIR motion detection w/ 3 custom configurable zones
- 3 Buttons appear on smartphone screen, directly over video - Press "Accept" to talk (2-way chat), "Hang up" to disconnect, or "Mute" to watch
- Motion-Triggered video clips sent to subscriber and stored in cloud
- Slimline doorbell design, dark metallic gray, built in multidirectional mic/speaker
- Durable & weather-resistant, IP65 Rated (from -4 to 122°F)
- Simply uses existing door bell power & quick 2-wire AC installation
- Optional AC plug-in chime for installations without a hardware chime. Supports multiple ring tones and volume control. (#IBV-CHIME)
- Over the Air (OTA) automatic firmware updates
- Full mounting hardware and 12-mos cloud video storage (time-/date-stamped) included
- Free enduser trifold mailers/statement stuffers

## VIDEO DOORBELL & CAMERAS ORDERING INFO.

**iBridge App, Connected Home, Video & Messenger Notifications App**, Free download on Apple App Store & Google Play

**IBV-DBELL** WiFi 1080P professional grade w/ night vision. Built-in multi-directional mic/speaker, AC with full mounting hardware and 12-mos. cloud storage.

**IBV-CHIME** WiFi plug in chime for doorbell; AC plug-in option for homes w/o wired chime

**A731** Free enduser iBridge Video Doorbell residential mailers/stuffers

**ISV2CAM** Fixed camera, 32GB onboard storage, plus 12-mos. cloud storage

**ISV2PT** Pan/tilt camera, 32GB onboard storage, plus 12-mos. cloud storage

**ISV2DOME** Dome camera, 32GB onboard storage, plus 12-mos. cloud storage

**ISV2-DM MTB** Optional Round Junction Box for Dome Camera

**ISV2-DM BKT** Optional Wall Mounting Bracket for Dome Camera

**ISV2-POE-4P** 4 Port POE Switch, optional accessory for ISV2-DOME camera, above. Two-layer industrial POE switch, MAC auto study and aging, MAC address list capacity is 8K. Support IEEE802.3af, IEEE802.3af standard.

**A749** Secure customizable enduser trifold/statement stuffer, free

**A748** iSecure customizable enduser presentation brochure, free

**IBR-TOUCH** (option) Integrated 7" Multifunction Touchscreen, live video-view, security system & connected home control for iSecure & Gemini Systems by Napco, hardwired

**IBR-TOUCH-WL** (option) Integrated 7" Multifunction Touchscreen, as above, WiFi version, power supply included. (Comes in iSecure Kit 3 #ISEC-KIT3)
